

Co-Create & Evaluate Lab

Differentiators:

- ⇒ Bridge funders, implementers, evaluators
- ⇒ Iterative, feedback-driven
- ⇒ Expert in roadmaps, proposal writing, proposal scoring for impact
- ⇒ Skilled at building consensus

Where
could you
use help?

Services for funders, such as foundations

- ⇒ **Make funding decisions that drive measurable impact** - I partner with foundations to establish criteria to evaluate proposals for the desired impact of your grants

 **MelissaJSays@gmail.com**

 **404-649-1898**

Services for Implementers

- ⇒ **Evaluate services** - Strengthen effectiveness, demonstrate impact, or assess evolving needs—whatever stage you're in
- ⇒ **From pitch to program** - Turn aspirational proposals into actionable plans—with milestones, KPIs, and strategies grounded in real-world constraints
- ⇒ **Fill capacity or expertise gaps**
Get expert support when your team is stretched thin or specialized skills are missing. Whether you need help with survey design, interviews, data analysis, storytelling and reporting, or ongoing evaluation guidance
